Josh - this starts intergovernmental.

Let's get an acknowledgement letter I can send back to the agency directors. Then, figure out a path forward. What program appropriate consideration and whether HQ can assist.

I'm guessing we have dealt with pesticide contamination or product disposal at some point in time.

Let's see where we are by the end of the week.

Administrator Gulliford:

Please see the attached letter from Directors Macy and Wellman. Thank you.
